OBJECTIVE

Seeking a position within the construction (Civil) department, possibly with an international perspective, where my skills can be utilized effectively both for personal growth and organizational profitability.

ACADEMIC PROFILE

Year(s)	Qualification - Degree / Diploma / Certificate	Board/ University	College/ Institute	Percentage
2012-2015	Diploma in (Civil Engineering)	U.P.B.T.E Lucknow	Hanswahini Institute of Science & Technology, Allahabad. U.P.	75.33%
2012	Intermediate (12th)	U.P. Board Allahabad.	V.N.Gov.Collage Gyanpur SRN (Bhadohi)	67.17%
2010	High school (10th)	U.P. Board Allahabad.	M.K.N.S. Vidyasasthan Gyanpur SRN (Bhadohi)	69.77%

TRAINING AND PROJECTS UNDERTAKEN

Summer Internship

Project Duration: 4 week

Company: Public Work Department (PWD) U.P. (Allahabad)

Project Title: Bitumen Road Construction.

Description: This project deals with the construction methodology of their Estimation.

Company: Srishti Imperial Heights Allahabad, UP.

Duration: 4 week

Project Title: Residential Building

Description: This Project deals with the quality control which includes testing of aggregates, cement, and mix design of concrete, concrete slump testing and cubes testing, moisture correction of coarse and fine aggregates.

Other projects: "Effect of Compaction and Percent Fineness on the Permeability of Soil", under the guidance of **Mr. Abhay Raj Singh at PWD.**

ACADEMIC/EXTRA-CURRICULAR ACHIEVEMENTS

I have completed the ISO 9001:2015 Certified Internal Auditor course.

I have attended training at IIT Bombay on 11th & 12th May 2023. The topic was International conference on Precast Technologies for sustainable construction, Organized by ICI.

COMPUTER SKILLS

Good knowledge in Microsoft Office Package, version 2003, 2007 and 2010.

Over view of Working with Software like, Auto CAD, MS Project

Operating System: Microsoft Windows 98/XP/Vista/7

QMS Software for maintaining the QA/QC Process at project

TOTAL WORK EXPERIENCE : 11 Years

S.NO	NAME OF PROJECT	COMPANY	DESIGNATION	PERIOD
1	CONSTRUCTION OF RETAIL MALL & MEMBERSHIP CLUB BKC	INDIA CRETE RMC C/O SHAPOORJI PALLONJI & COMPANY PVT. LTD.	Junior Engineer-QA/QC	July -2015 TO Jun-2016
2	Evergreen Woods Commercial & Residential Building	Epicons Consultants Pvt. Ltd.	Engineer- QA/QC	Jun 10th 2016 To Feb- 2017
	ASF Insignia Black Canon Commercial Building		Engineer- QA/QC	Feb-2017 to Aug-2018
	Pearl Residency High-rise Residential Building		Engineer- QA/QC	Aug-2018 to Jan-2021
3	MHADA High-rise Residential project (G+3P+36F) Precast technology Pahadi Goregaon (W) Mumbai	B.G. SHIRKE CONSTRUCTION TECH. PVT. LTD.	Asst. Engineer – QA/QC	1st Feb 2021 to 26th Aug 2023
4	UPCA Construction of International Cricket Stadium at Varanasi U.P Precast technology	Larsen & Toubro Ltd. B&F- IC	Sr. Engineer- QA/QC	1st Sept 2023 to till date

RESPONSIBILITY OF DUTIES

- ✓ Office and Laboratory Responsibilities
- ✓ Maintain Daily quality reports, Weekly Monthly quality Reports.
- ✓ Preparing materials test procedure and application methods.
- ✓ Preparing the checklist as per project specifications and IS code.
- ✓ Preparing Quality Objective and Inspection Testing Plan (ITP) as per Company Quality Assurance Plan./ Quality Policy.
- ✓ QMS For documentation
- ✓ Attained weekly Quality meeting along with Client and Consultant.
- ✓ Density of Soil Testing by sand replacement method & Core cutter Method
- ✓ Gradation of coarse & fine aggregate, Sp. Gravity and water absorption of coarse & fine aggregate., Aggregate impact value, Aggregate crushing value, flakiness & elongation of coarse aggregate, Bulk density of coarse and fine aggregate. Materials finer than 75 micron for crushed sand.
- ✓ Checking concrete Compressive strength test and Durability test of concrete like RCPT, Water permeability.
- ✓ Quality checks of Brickwork, block work, plaster and tiles
- ✓ Consistency, Fineness, Initial & Final setting time of cement, Compressive Strength of cement,
- ✓ Preparing of Mix Design data and taking mix trials for different grades of concrete.
- ✓ Making Mix Design different grades of concrete including high Grade and SCC as per IS 10262:2019
- ✓ Fineness test.
- ✓ Specific gravity test for admixture.
- ✓ Yield testing for fresh concrete.
- ✓ Calibration of batching plant.
- ✓ Soil Testing
- ✓ Standard deviation calculation.
- ✓ Casting , curing and testing of concrete cubes..
- ✓ Daily moisture correction for coarse and fine aggregates at batching plant.
- ✓ Maintaining and submitting all quality documents to the client.
- ✓ RMC Plant Calibration as per IS:4925 and also Know about RMC plant functions & operation
- ✓ Cubes and Slump Cone Validation as per IS.
- ✓ Prepared Training calendar and tracking records for Staff and Workmen
- ✓ Internal audits are conducted as per the defined frequency, findings reports are prepared and submitted to management, and follow-up is carried out to ensure timely closure of audit reports.

FIELD RESPONSIBILITIES

- ✓ Checking of Field dry density of earthwork by sand replacement method & Core cutter Method
- ✓ Preparing the repair methodology of special micro-concreting and RCC Structure strengthening/ Repairing
- ✓ Checking RCC Structure/Precast Elements NDT Test (Rebound hammer, USPV, Core test, RCC Cover check).
- ✓ RMC Plant concrete production checking & quality control as per IS Code
- ✓ Checking fresh concrete properties during pouring.
- ✓ Checking of Shuttering & Reinforcement, dimensions, pedestal bolts and embedded items as per Drawing and IS Specifications.
- ✓ Checking of pre-pour, during and post-pour concreting as per check list and IS code specifications.
- ✓ Regular site surveillance and issuing Internal NCR or observation.
- ✓ Quality checks in Brickwork, block work, plaster and tiling work.
- ✓ Preparation of daily field quality observation report, Non-Conformity report.
- ✓ To perform the weekly Quality review meeting at site along with client
- ✓ To ensure the QMS activities and documents followed by the contractor at site.
- ✓ Checking precast components casting, erection and screeding activities.
- ✓ checking Finishing items like brickwork, Plaster, Gypsum, Putty and Paint and Tilling
- ✓ Checking precast components erection and screeding activity.
- ✓ Checking of project external development like Landscaping, Paver blocks and internal road work.
- ✓ Providing the training for Staff and workmen before the start any activities.

PERSONAL & CONTACT DETAILS

Father's Name : Mr. Gopinath Pathak
Mother's Name : Smt. Savitri Devi
Father's Occupation : Businessman
Date of Birth : APR 12th, 1994
Gender : Male
Nationality : Indian
Languages Known : Hindi and English
Permanent Address : Basapara Kariyanw SRN (Bhadohi) UP Pin- 221406
Current Address : Flat No. 201, Shashikala Srivastav, Ganeshpur, Shivapur Varanasi, UP 221003

Contact no. : 9821366808 / 9833826099

I declare that the details above are correct and true to the best of my knowledge.
